

THE MAGRITTE GROUP INITIATIVE TOWARDS A NEW MARKET DESIGN IN EUROPE

DECREASING DEMAND AND PRICES

EU power consumption (TWh)

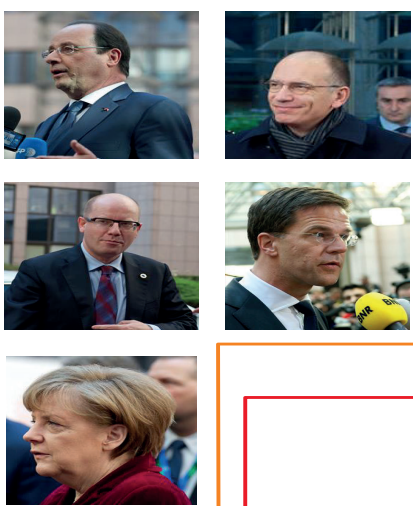

Power market price (€/MWh)

RAISING AWARENESS

EU leaders

EU institutions

CIVIL SOCIETY

THE MAGRITTE GROUP

“All together to team up, to go beyond our divergences, beyond our differences, and to deliver a strong common message towards the EU leaders”

G rard Mestrallet

3 MAIN RECOMMENDATIONS

- 1 Capacity Remuneration Mechanisms as much as possible pan European
- 2 More stringent CO₂ targets and the introduction of “Market Stability Reserve”
- 3 Progressive integration of mature RES into the electricity market

NEXT STEPS

More Europe

More market

More competitiveness
