Appointments

Charlotte Roule as **Chief Executive Officer of the China BU**. She replaces Jean-Marc Guyot, who retired.

Grzegorz Górski as **Managing Director of the Centralized Generation Métier**. He succeeds Shankar Krishnamoorthy, who was appointed Executive Vice-President last January.

Charlotte Roule graduated from the IEP Paris (Science Po) and holds a master in tax & business law. She joined the Group in 1999. As of 2009, **Charlotte Roule** served at Storengy, ENGIE's subsidiary dedicated to underground gas storage, first as VP HR, then as VP Audit, Risks and Asset Optimization. In 2013, she was appointed Managing Director of Storengy UK, notably in charge of the construction and commercialization of a new storage in the UK, which will be eventually the biggest onshore storage of the country.

Charlotte Roule joined ENGIE China BU in July 2016 as Chief Operating Officer, in charge of Operations, Business Development and Innovation before being appointed Chief Executive Officer of the China BU.

Grzegorz Górski took charge of the Centralized Generation Métier, one of ENGIE's five Métiers. He holds an environmental engineering degree and an environmental doctorate from the Silesia Polytechnic Institute (Poland). He also trained in business administration at INSEAD. **Grzegorz Górski** began his career in the Group in 1993 as CEO of CITEC, a subsidiary of Tractebel Engineering in Poland. From 2000 to 2006, he held various positions within Electrabel Polska, in charge of commercial development, marketing and sales, as well as trading. From 2006 to 2012, he was Country Manager for Poland and then until 2014, a member of the Executive Committee of the Energy Europe business line, in charge of Central and Eastern Europe. Until now, he was Deputy Director of the Innovation Department.

About ENGIE

ENGIE develops its businesses (power, natural gas, energy services) around a model based on responsible growth to take on the major challenges of energy's transition to a low-carbon economy: access to sustainable energy, climate-change mitigation and adaptation and the rational use of resources. The Group provides individuals, cities and businesses with highly efficient and innovative solutions largely based on its expertise in four key sectors: renewable energy, energy efficiency, liquefied natural gas and digital technology. ENGIE employs 153,090 people worldwide and achieved revenues of €66.6 billion in 2016. The Group is listed on the Paris and Brussels stock exchanges (ENGI) and is represented in the main international indices: CAC 40, CAC 40 Governance, BEL 20, DJ Euro Stoxx 50, Euronext 100, FTSE Eurotop 100, MSCI Europe, DJSI World, DJSI Europe and Euronext Vigeo (World 120, Eurozone 120, Europe 120 and France 20).
