PRESENTATION AND SUMMARY OF THE RESOLUTIONS

A. RESOLUTIONS SUBMITTED TO THE ORDINARY SHAREHOLDERS' MEETING

FIRST RESOLUTION:

Approval of transactions and the financial statements for the year ended December 31, 2009

Under this resolution, the Shareholders are asked to approve the transactions and financial statements for the year ended December 31, 2009 of the GDF SUEZ company, showing **net income of €2,260,840,261**.

SECOND RESOLUTION:

Approval of the consolidated financial statements for the year ended December 31, 2009

Under this resolution, the Shareholders are asked to approve the Group's consolidated financial statements for the year ended December 31, 2009, showing **net income - Group Share of €4,477,323,000**.

THIRD RESOLUTION:

Appropriation of net income and declaration of dividend for 2009

This resolution asks the Shareholders to approve the appropriation of net income and declaration of the dividend.

With the balance sheet showing net income at December 31, 2009 of €2.26 billion and retained earnings of €16.71 billion euros, the total earnings available for distribution is €18.97 billion.

On the basis of a **net dividend of €1.47 per share**, and the number of GDF SUEZ existing shares entitled to dividend at December 31, 2009, totaling 2,260,976,267, Shareholders are asked to distribute a maximum total of **€3.29 billion**, of which €2.26 billion will be levied on the net income for the 2009 fiscal year and €1.03 billion on retaining earnings. It is noted that at the time of payment of this dividend, the unpaid dividend corresponding to treasury stock held by the Company will be allocated to "Other reserves".

Given that the interim dividend of €0.80 per share, to be deducted from the total dividend for fiscal year 2009, was paid on December 18, 2009, the final dividend for fiscal year 2009 comes to €0.67 per share, for a final dividend payout of €1.51 billion.

The net dividend of **€1.47** per share represents an increase of 5% over the ordinary dividend paid in 2009 for 2008 fiscal year.

In accordance with Article 158-3 2° of the French General Tax Code, the entire dividend is eligible for the 40% deduction available to individuals who are tax residents of France.

The outstanding dividend will be declared on May 5, 2010 and will be paid in cash on **May 10, 2010**.

FOURTH RESOLUTION:

Approval of regulated agreements

This resolution submits for approval by the Shareholders, transactions concluded or executed during fiscal year 2009, as described in the Statutory Auditors' special report on regulated agreements provided in Section 7.3.5 of the GDF SUEZ 2009 Reference Document.

The regulated agreements authorized or concluded during the 2009 fiscal year by GDF SUEZ relate to two topics:

- the agreement with the French government to exercise its option for payment of the fiscal 2008 special dividend in shares;
- a public service contract with the French government which provides for a continuation of activities conducted under previous public service contracts.

FIFTH RESOLUTION:

Authorization to be given to the Board of Directors to trade in the Company's shares

This resolution asks Shareholders to renew the authorization previously granted to the Board for the purpose of acquiring shares of the Company to:

- maintain a liquid market in the Company's shares; or
- cancel all or a portion of the repurchased shares; or
- to assign or transfer them to employees or former employees or officers or former officers of the Company and/or companies that are or will be affiliated with it, in particular in relation to stock option plans, awards of outstanding shares, or corporate or inter-company employee savings plans;

- hold them for subsequent use in exchange or payment in connection with external growth transactions, subject to a ceiling of 5% of the share capital; or
- use them for allocation upon the exercise of the rights attached to issued securities convertible, redeemable, exchangeable or otherwise exercisable for shares of the Company; or
- to implement any accepted market practice.

The terms of this authorization are as follows:

- maximum purchase price:.....**€55 per share**
(excluding transaction costs);
- maximum shareholding:.....10% of the share capital;
- aggregate amount of purchases:.....**€12 billion.**

This resolution would renew the authorization granted to the Board of Directors under the fifth resolution of the Shareholders' Meeting of May 4, 2009, extending it for a period of **18 months** following the Shareholders' Meeting of May 3, 2010. It may not apply during a public tender offer for the Company.

B. RESOLUTIONS SUBMITTED TO THE EXTRAORDINARY SHAREHOLDERS' MEETING

SIXTH RESOLUTION:

Issues with maintenance of preferential subscription rights

It is proposed that the Shareholders' Meeting renew the delegation of authority granted to the Board of Directors to issue common shares and/or securities conferring immediate or deferred entitlement to the share capital of the Company or subsidiaries of the Company, with preferential subscription rights maintained.

The authorization sought by this resolution involves the following amounts:

- **€250 million** for capital increases, noting that this amount shall count against the amount of the Overall Ceiling set in the 13th resolution;
- **€5 billion** for debt securities, noting that this amount shall count against the nominal amount of debt instruments mentioned in the 7th, 8th, 9th and 10th resolutions.

These issues shall be reserved in priority to shareholders who are entitled to subscribe thereto in proportion to their current number of shares. The Board of Directors may also give shareholders the opportunity to subscribe for excess shares.

Where subscriptions have not absorbed the entire issue, the Board of Directors may:

- limit the capital increase to the amount of the subscriptions under the condition that they total at least three-quarters of the issue amount initially approved;
- freely distribute all or a portion of the unsubscribed issued securities;
- offer all or a portion of the unsubscribed issued securities to the public in France and/or abroad and/or on the international market.

This resolution would renew the authorization granted to the Board of Directors under the 13th resolution of the Shareholders' Meeting of July 16, 2008, extending it for a period of **26 months** following the Shareholders' Meeting of May 3, 2010.

SEVENTH RESOLUTION:

Issues with cancellation of preferential subscription rights

It is proposed that the Shareholders' Meeting renew the delegation of authority granted to the Board of Directors to issue common shares and/or securities conferring immediate or deferred entitlement to the shares of the Company or subsidiaries of the Company, including issues for the purpose of remunerating securities contributed thereto, with cancellation of preferential subscription rights.

The amount of the authorizations and ceilings sought for this resolution is identical to that provided by the 6th resolution, namely:

- **€250 million** for capital increases, noting that this amount shall count against the amount of the Overall Ceiling set in the 13th resolution;
- **€5 billion** for debt securities, noting that this amount shall count against the nominal amount of debt instruments mentioned in the 6th, 8th, 9th and 10th resolutions.

The Board of Directors shall have power to implement a priority period of subscription in the manner it shall determine in accordance with current laws and regulations, in favor of the shareholders.

Where subscriptions have not absorbed the entire issue, the Board of Directors may:

- limit the capital increase to the amount of the subscriptions on condition that they reach a total of at least three-quarters of the initially approved issue amount; or
- freely distribute all or a portion of the unsubscribed issued shares.

The share issue price shall be at least equal to the average weighted price of the GDF SUEZ share over last three trading days before the launch of the issue, less the 5% discount provided by law.

This resolution would renew the authorization granted to the Board of Directors under the 14th resolution of the Shareholders' Meeting of July 16, 2008, extending it for a period of **26 months** following the Shareholders' Meeting of May 3, 2010.

EIGHTH RESOLUTION:

Private placements

It is proposed that the Shareholders' Meeting grant the Board of Directors the authority to carry out financial transactions in the context of an offer governed by Article L. 411-2 II of the French Monetary and Financial Code – i.e., by private placement of shares or securities with qualified investors or a limited circle of investors, within the limit of 20% of the share capital per year, and for a period of **26 months** following the Shareholders' Meeting of May 3, 2010. This authorization shall be implemented under the same conditions and in the same manner as that provided under the 7th resolution hereof, while remaining within the nominal limits provided by the 7th resolution – i.e.:

- **€250 million** for capital increases, within the limit of 20% of the share capital per year, noting that this amount shall count against the amount of the Overall Ceiling set in the 13th resolution;
- **€5 billion** for debt securities conferring entitlement to the Company's share capital, noting that this amount shall count against the nominal amount of debt instruments mentioned in the 6th, 7th, 9th and 10th resolutions.

NINTH RESOLUTION:

Extension of capital increases

This resolution requests the Shareholders to authorize the Board of Directors to decide, if it determines there is excess demand during a capital increase with or without preferential subscription rights approved under the 6th, 7th and 8th resolutions, to increase the number of shares to be issued at the same price as that set for the initial issue, within the applicable regulatory time limits and conditions.

This option would allow the Board of Directors, in order to meet the demand for an issue which exceeds the proposed amount, to issue additional shares within 15% of the initial issue amount, within 30 days of the close of subscriptions, while remaining within the maximum nominal amount provided under the 6th, 7th and 8th resolutions – i.e.:

- **€250 million** for capital increases, noting that this amount shall count against the amount of the Overall Ceiling set in the 13th resolution;
- **€5 billion** for debt securities, noting that this amount shall count against the nominal amount of debt instruments mentioned in the 6th, 7th, 8th and 10th resolutions.

This resolution would renew the authorization granted to the Board of Directors under the 15th resolution of the Shareholders' Meeting of July 16, 2008, extending it for a period of **26 months** following the Shareholders' Meeting of May 3, 2010.

TENTH RESOLUTION:

Contributions of securities

Shareholders are asked to authorize the Board of Directors, where the conditions for a public exchange offer do not apply, to carry out a capital increase within 10% of the share capital, on one or more occasions and with cancellation of preferential subscription rights, in order to remunerate contributions made to the Company in the form of equity securities or securities entitling access to the capital of an outside company, while remaining within the nominal limit provided by the 7th resolution – i.e.:

- **€250 million** for capital increases, within the limit of 10 % of the share capital, noting that this amount shall count against the amount of the Overall Ceiling set in the 13th resolution ;
- **€5 billion** for debt securities, noting that this amount shall count against the nominal amount of debt instruments mentioned in the sixth, seventh, eighth and ninth resolutions.

This resolution would renew the authorization granted to the Board of Directors under the 16th resolution of the Shareholders' Meeting of July 16, 2008, extending it for a period of **26 months** following the Shareholders' Meeting of May 3, 2010.

ELEVENTH RESOLUTION:**Capital increase reserved for GDF SUEZ Group Employee Savings Plans members**

It is proposed that the Shareholders' Meeting authorize the Board of Directors to proceed with a capital increase reserved for employees who subscribe to a GDF SUEZ Group Employee Savings Plan.

The terms of this authorization are as follows:

- the total number of shares to be subscribed pursuant to this resolution shall not exceed a value of €40 million;
- the subscription price of new shares to be issued shall be equal to 80% of the average opening price of a GDF SUEZ share over twenty trading days preceding the date of the Board of Directors' decision.

This resolution would renew the authorization granted to the Board of Directors under the 17th resolution of the Shareholders' Meeting of May 4, 2009, extending it for a period of **21 months** following its expiry on September 16, 2010.

TWELFTH RESOLUTION:**Capital increase reserved for any entity whose sole purpose is to promote access to the share capital of GDF SUEZ as part of an international employee shareholding plan offered by the GDF SUEZ Group**

It is proposed that the Shareholders' Meeting authorize the Board of Directors to increase the share capital, with cancellation of preferential subscription rights, by issuing shares reserved for any entity whose sole purpose is to subscribe, hold and dispose of GDF SUEZ shares or other financial instruments as part of the implementation of one of the multiple plans of the GDF SUEZ Group's international employee shareholding scheme.

The terms of this authorization are as follows:

- the total number of shares to be subscribed pursuant to this resolution shall not exceed a value of €20 million;
- the subscription price shall be identical to that offered to employees under the 11th resolution – i.e., equal to 80% of the average opening price of the GDF SUEZ share during the twenty trading days preceding the day of the decision by the Board or the Chairman, as the case may be.

This resolution would renew the authorization granted to the Board of Directors under the 13th resolution of the Shareholders' Meeting of May 4, 2009, extending it for a period of **12 months** following its expiry on November 4, 2010.

THIRTEENTH RESOLUTION:**Limiting the overall ceiling of authorized capital increases**

It is proposed that the Shareholders limit the maximum nominal amount of share capital increases which may be carried out under the authorizations provided for in the 6th, 7th, 8th, 9th, 10th, 11th and 12th resolutions to **€310 million**.

This constitutes an overall ceiling (the "Overall Ceiling") applicable to these resolutions, to which would be added the nominal amount of shares issued to protect the rights of holders of securities conferring entitlement to the share capital and the beneficiaries of stock options in the event of new financial transactions.

In all cases, the French State must continue to hold over one-third of the Company's share capital after all issued securities conferring entitlement to the Company's share capital have been taken into account.

This limit replaces that in the same amount set by the Shareholders' Meeting of July 16, 2008.

FOURTEENTH RESOLUTION:**Capital increase through the capitalization of premiums, reserves, earnings or other accounting items**

It is proposed that the Shareholders' Meeting authorize the Board of Directors to carry out capital increases by capitalizing premiums, reserves, earnings or other accounting items.

This resolution would renew the authorization granted to the Board of Directors under the 20th resolution of the Shareholders' Meeting of July 16, 2008, extending it for a period of **26 months** following the Shareholders' Meeting of May 3, 2010.

FIFTEENTH RESOLUTION:**Reduction of share capital by cancellation of treasury stock**

It is proposed that the Shareholders' Meeting authorize the Board of Directors to reduce the share capital by cancellation of all or a portion of the shares acquired by the Company, **within the limit of 10% of the shares constituting the share capital per 24-month period**.

This resolution would renew the authorization granted to the Board of Directors under the 23rd resolution of the Shareholders' Meeting of July 16, 2008, extending it for a period of **26 months** following the Shareholders' Meeting of May 3, 2010.

SIXTEENTH RESOLUTION:**Options for the subscription or purchase of shares**

It is proposed that the Shareholders' Meeting authorize the Board of Directors to grant options for the subscription of new shares and/or the purchase of existing shares of the Company to all or certain employees and officers of the Company or of companies or groups that are affiliated therewith.

The total number of options granted under this resolution shall be limited to **0.5% of the Company's share capital** at the date of the Board's decision, this percentage being the same as that set under the 17th resolution hereof ("Awarding of bonus shares").

In all cases, the French State must continue to hold over one-third of the Company's share capital after all issued securities conferring entitlement to the Company's share capital and stock options awarded have been taken into account.

The subscription or purchase price of the shares shall be determined, without discount, in accordance with legal provisions.

This resolution would renew the authorization granted to the Board of Directors under the 14th resolution of the Shareholders' Meeting of May 4, 2009, extending it for a period of **18 months** following the Shareholders' Meeting of May 3, 2010.

SEVENTEENTH RESOLUTION:**Awarding of bonus shares**

It is proposed that the Shareholders' Meeting authorize the Board of Directors to award bonus shares to employees and/or officers of the Company and companies affiliated therewith. The shares awarded under this resolution are not intended to supplement the stock option plans in place, but rather to replace, in whole or in part, such options.

The number of shares so awarded would be limited to **0.5% of the Company's share capital** at the date of the Board's decision, it being understood that the number of shares shall count against those that may be subscribed or purchased under the 16th resolution ("Stock options").

This resolution would renew the authorization granted to the Board of Directors under the 15th resolution of the Shareholders' Meeting of May 4, 2009, extending it for a period of **12 months** following its expiry on November 4, 2010.

EIGHTEENTH RESOLUTION:**Powers to implement the resolutions adopted by the Shareholders' Meeting and perform the related formalities**

This resolution is intended to allow the completion of formalities resulting from the decisions of the Shareholders' Meeting.

The Storengy storage facilities as well as LNG terminals in Montoir and Fos were in high demand. During this period, stored supplies were used to meet on average 50% of the gas demand, and the two terminals supplied 20% of the gas consumed in France.

March

- Storengy auctioned a new commercial offer, resulting in the entire proposed capacity (12 TWh) being sold to 13 different companies, for the period April 1, 2009 to April 1, 2010. The sale was open to all players in the market and conducted on a secure electronic platform.
