**MIFID II product governance / Professional investors, eligible counterparties and retail clients in Switzerland only target market** – Solely for the purposes of each manufacturer’s product approval process, the target market assessment in respect of the Notes, taking into account the five categories referred to in item 19 of the Guidelines published by ESMA on 3 August 2023, as determined by the manufacturers, has led to the conclusion that: (i) the target market for the Notes is eligible counterparties, professional clients and retail clients in Switzerland only (for the avoidance of doubt, no retail clients in the European Economic Area shall be targeted), each as defined in Directive 2014/65/EU (as amended, “**MiFID II**”); and (ii) all channels for distribution of the Notes to eligible counterparties, professional clients and retail clients in Switzerland only are appropriate. Any person subsequently offering, selling or recommending the Notes (a “**distributor**”) should take into consideration the manufacturers’ target market assessment; however, a distributor subject to MiFID II is responsible for undertaking its own target market assessment in respect of the Notes (by either adopting or refining the manufacturers’ target market assessment) and determining appropriate distribution channels. For the avoidance of doubt, distribution to retail clients domiciled in Switzerland is permissible.

**PROHIBITION OF SALES TO EEA RETAIL CLIENTS** - The Notes are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail client in the European Economic Area (“**EEA**”). For these purposes, a retail client means a person who is one (or both) of: (i) a retail client as defined in point (11) of Article 4(1) of Directive 2014/65/EU, as amended (“**MiFID II**”); or (ii) a customer within the meaning of Directive (EU) 2016/97, as amended, where that customer would not qualify as a professional client as defined in point (10) of Article 4(1) of MiFID II. Consequently, no key information document required by Regulation (EU) No 1286/2014, as amended (the “**PRIIPs Regulation**”) for offering or selling the Notes or otherwise making them available to retail clients in the EEA has been or will be prepared and therefore offering or selling the Notes or otherwise making them available to any retail client in the EEA may be unlawful under the PRIIPs Regulation.

**PROHIBITION OF SALES TO UK RETAIL CLIENTS** - The Notes are not intended to be offered, sold or otherwise made available to and, should not be offered, sold or otherwise made available to any retail client in the United Kingdom (the “**UK**”). For these purposes, a retail client means a person who is one (or both) of: (i) a retail client, as defined in point (8) of Article 2 of Regulation (EU) No 2017/565 as it forms part of UK domestic law by virtue of the European Union (Withdrawal) Act 2018 (“**EUWA**”); or (ii) a customer within the meaning of the provisions of the Financial Services and Markets Act 2000, as amended (“**FSMA**”) and any rules or regulations made under the FSMA to implement Directive (EU) 2016/97, where that customer would not qualify as a professional client, as defined in point (8) of Article 2(1) of Regulation (EU) No 600/2014 as it forms part of UK domestic law by virtue of the EUWA. Consequently, no key information document required by Regulation (EU) No 1286/2014 as it forms part of UK domestic law by virtue of the EUWA (the “**UK PRIIPs Regulation**”) for offering or selling the Notes or otherwise making them available to retail clients in the UK has been or will be prepared and therefore offering or selling the Notes or otherwise making them available to any retail client in the UK may be unlawful under the UK PRIIPs Regulation.

**Swiss Public Offer:** For the avoidance of doubt, investors are informed that the Notes will be offered to the public in Switzerland only.

## GENERAL PROVISIONS APPLICABLE TO THE NOTES

### 27. Form of Notes:

Bearer Dematerialised Notes:

The Notes are issued in uncertificated and dematerialised book-entry form.

**For the purpose of this Series only, Condition 1 of the Terms and Conditions of the Senior Notes shall be amended and replaced as follows:**

"The Aggregate Nominal Amount of the Notes of CHF 100,000,000 is divided into Notes with a denomination of CHF 5,000 (five thousand Swiss francs) per Note (the "**Specified Denomination**").

The Notes are issued outside France in uncertificated and dematerialised book-entry form, registered with the Intermediary (as defined below) and held as intermediated securities (the "**Intermediated Securities**") (*Bucheffekten*) in accordance with the Swiss Federal Intermediated Securities Act ("**FISA**") (*Bucheffektengesetz*).

Neither a global certificate nor definitive securities or any other certificate representative of the Notes will be issued in respect of the Notes, and the Terms and Conditions shall be construed accordingly.

The Notes will be created by the Issuer as uncertificated and dematerialised securities. The Notes will then be entered into the main register (*Hauptregister*) of SIX SIS Ltd ("**SIS**") or any other intermediary in Switzerland recognised for such purposes by SIX Swiss Exchange (SIS or such other intermediary, the "**Intermediary**"). Once the Notes are registered in the main register (*Hauptregister*) of the Intermediary, and the Intermediary has credited the respective rights to securities accounts of the relevant participants with the Intermediary, the Notes will constitute Intermediated Securities.

The records of the Intermediary will determine the number of Notes held through each participant in that Intermediary. In respect of the Notes held in the form of Intermediated Securities, the holders of the

Notes (the "**Noteholders**") will be the persons holding the Notes in a securities account which is in their name, or in the case of intermediaries holding the Notes for their own account in a securities account which is in their name.

So long as the Notes remain registered with the Intermediary, the Notes may only be transferred or otherwise disposed of in accordance with the provisions of the FISA, *i.e.* by the entry of the transferred Notes in a securities account of the transferee.

**Neither the Issuer nor the Noteholders shall at any time have the right to effect or demand the conversion of the uncertificated and dematerialised Notes into, or the delivery of, a permanent global note or definitive Notes.**

Subject to the below provision, no printing of Notes in definitive form will occur.

If (i) the Swiss Principal Paying Agent deems the printing of Notes in definitive form and, if applicable, coupons for the payment of interest or premium amount ("**Coupons**") to be necessary or useful, or (ii) the presentation of securities in definitive form or, if applicable, Coupons is required by Swiss or foreign laws in connection with the enforcement of rights (including in cases of bankruptcy, consolidation or reorganization of the Issuer), the Swiss Principal Paying Agent shall determine the form of such definitive Notes and, if applicable, Coupons as well as any necessary technical changes required to these Terms and Conditions.

For the purposes of these Final Terms, references in the Terms and Conditions to "Euroclear France Account Holder", "account holder" or "Account Holder", as the case may be, shall be construed as references to the Intermediary."

## 2. RATINGS

Ratings:

The Notes to be issued have been rated:

S&P: BBB+

Pursuant to S&P definitions, an obligation rated “BBB” exhibits adequate protection parameters. However, adverse economic conditions or changing circumstances are more likely to weaken the obligor's capacity to meet its financial commitments on the obligation. Ratings from “AA” to “CCC” may be modified by the addition of a plus (+) or minus (-) sign to show relative standing within the rating categories.

Moody's: Baa1

Pursuant to Moody's definitions, obligations rated “Baa” are judged to be medium-grade and subject to moderate credit risk and as such may possess certain speculative characteristics. The addition of the modifier “1” indicates that the obligation ranks in the higher end of its generic rating category.

Fitch: BBB+

Pursuant to Fitch's definitions, “BBB” ratings indicate that expectations of default risk are currently low. The capacity for payment of financial commitments is considered adequate, but adverse business or economic conditions are more likely to impair this capacity. The modifiers “+” or “-” may be appended to a rating to denote relative status within major rating categories.

S&P, Moody's and Fitch are established in the European Union and registered under Regulation (EC) No 1060/2009 (as amended, the “**CRA Regulation**”) and are included in the list of credit rating agencies registered in accordance with the CRA Regulation published on the European Securities and Markets Authority's website (<https://www.esma.europa.eu/credit-rating-agencies/cra-authorisation>).

S&P, Moody's and Fitch are not established in the United Kingdom and have each not applied for registration under Regulation (EC) No 1060/2009 (as amended) as it forms part of UK domestic law by virtue of the European Union (Withdrawal) Act 2018 (the “**UK CRA Regulation**”), but are endorsed by S&P Global Ratings UK Limited, Moody's Investors Service Limited and Fitch Ratings Limited, respectively, which are established in the United Kingdom, registered

under the UK CRA Regulation and included in the list of credit rating agencies registered in accordance with the list of registered and certified credit ratings agencies published on the website of the UK Financial Conduct Authority (<https://www.fca.org.uk/firms/credit-rating-agencies/applying-registration-certification>).
