**MIFID II product governance / Professional investors and eligible counterparties only target market** – Solely for the purposes of each manufacturer’s product approval process, the target market assessment in respect of the Notes, taking into account the five categories referred to in item 19 of the Guidelines published by ESMA on 3 August 2023, as determined by the manufacturers, has led to the conclusion that: (i) the target market for the Notes is eligible counterparties and professional clients only, each as defined in Directive 2014/65/EU (as amended, “**MIFID II**”); and (ii) all channels for distribution of the Notes to eligible counterparties and professional clients are appropriate. Any person subsequently offering, selling or recommending the Notes (a “**distributor**”) should take into consideration the manufacturers’ target market assessment; however, a distributor subject to MiFID II is responsible for undertaking its own target market assessment in respect of the Notes (by either adopting or refining the manufacturers’ target market assessment) and determining appropriate distribution channels.

**UK MiFIR product governance / Professional investors and eligible counterparties only target market** – Solely for the purposes of each manufacturer’s product approval process, the target market assessment in respect of the Notes has led to the conclusion that: (i) the target market for the Notes is only eligible counterparties, as defined in the FCA Handbook Conduct of Business Sourcebook (“**COBS**”), and professional clients, as defined in Regulation (EU) No 600/2014 as it forms part of UK domestic law by virtue of the European Union (Withdrawal) Act 2018 (“**UK MiFIR**”); and (ii) all channels for distribution of the Notes to eligible counterparties and professional clients are appropriate. Any person subsequently offering, selling or recommending the Notes (a “**distributor**”) should take into consideration the manufacturers’ target market assessment; however, a distributor subject to the FCA Handbook Product Intervention and Product Governance Sourcebook (the “**UK MiFIR Product Governance Rules**”) is responsible for undertaking its own target market assessment in respect of the Notes (by either adopting or refining the manufacturers’ target market assessment) and determining appropriate distribution channels.

**PROHIBITION OF SALES TO EEA RETAIL INVESTORS** - The Notes are not intended to be offered, sold or otherwise made available to and, should not be offered, sold or otherwise made available to any retail investor in the European Economic Area (the “**EEA**”). For these purposes, a retail investor means a person who is one (or both) of: (i) a retail client as defined in point (11) of Article 4(1) of Directive 2014/65/EU, as amended (“**MiFID II**”); or (ii) a customer within the meaning of Directive (EU) 2016/97, as amended, where that customer would not qualify as a professional client as defined in point (10) of Article 4(1) of MiFID II. Consequently, no key information document required by Regulation (EU) No 1286/2014, as amended (the “**PRIIPs Regulation**”) for offering or selling the Notes or otherwise making them available to retail investors in the EEA has been or will be prepared and therefore offering or selling the Notes or otherwise making them available to any retail investor in the EEA may be unlawful under the PRIIPs Regulation.

**PROHIBITION OF SALES TO UNITED KINGDOM RETAIL INVESTORS** – The Notes are not intended to be offered, sold, distributed or otherwise made available to and should not be offered, sold, distributed or otherwise made available to any retail investor in the United Kingdom (“UK”). For these purposes, a retail investor means a person who is either one (or both) of the following: (i) not a professional client, as defined in point (8) of Article 2(1) of Regulation (EU) No 600/2014 as it forms part of UK domestic law by virtue of the European Union (Withdrawal) Act 2018 (the “EUWA”); or (ii) not a qualified investor as defined in paragraph 15 of Schedule 1 to the Public Offers and Admissions to Trading Regulations 2024. Consequently, no disclosure document required by the FCA Product Disclosure Sourcebook (“DISC”) for offering, selling or distributing the Notes or otherwise making them available to retail investors in the UK has been prepared and therefore offering, selling or distributing the Notes or otherwise making them available to any retail investor in the UK may be unlawful under DISC and the Consumer Composite Investments (Designated Activities) Regulations 2024.

**NOTIFICATION UNDER SECTION 309B(1)(c) OF THE SECURITIES AND FUTURES ACT 2001 OF SINGAPORE (THE “SFA”)** – In connection with Section 309B of the SFA and the Securities and Futures (Capital Markets Products) Regulations 2018 of Singapore (the “CMP Regulations”), the Issuer has determined the classification of the Notes as “capital markets products other than prescribed capital markets products” (as defined in the CMP Regulations) and “Specified Investment Products” (as defined in MAS Notice SFA 04-N12: Notice on the Sale of Investment Products and MAS Notice FAA-N16: Notice on Recommendations on Investment Products).

## PART B – OTHER INFORMATION

1. **Listing and admission to trading**

Application has been made by the Issuer (or on its behalf) for the Notes to be admitted to trading on Euronext Paris with effect from the Issue Date.

**Estimate of total expenses related to admission to trading:** €20,000
2. **RATINGS**

Ratings:

The Notes to be issued have been rated:

S&P: BBB-

Pursuant to S&P definitions, an obligation rated “BBB” exhibits adequate protection parameters. However, adverse economic conditions or changing circumstances are more likely to weaken the obligor's capacity to meet its financial commitments on the obligation. Ratings from “AA” to “CCC” may be modified by the addition of a plus (+) or minus (-) sign to show relative standing within the rating categories.

Moody's: Baa3

Pursuant to Moody's definitions, obligations rated “Baa” are judged to be medium-grade and subject to moderate credit risk and as such may possess certain speculative characteristics. The addition of the modifier “3” indicates a ranking in the lower end of that generic rating category.

Fitch: BBB

Pursuant to Fitch's definitions, “BBB” ratings indicate that expectations of default risk are currently low. The capacity for payment of financial commitments is considered adequate, but adverse business or economic conditions are more likely to impair this capacity.

S&P, Moody's and Fitch are established in the European Union and registered under Regulation (EC) No 1060/2009 (as amended, the “**CRA Regulation**”) and are included in the list of credit rating agencies registered in accordance with the CRA Regulation published on the European Securities and Markets Authority's website ([www.esma.europa.eu/credit-rating-agencies/cra-authorisation](http://www.esma.europa.eu/credit-rating-agencies/cra-authorisation)).

S&P, Moody's and Fitch are not established in the United Kingdom and have each not applied for registration under Regulation (EC) No 1060/2009 (as amended) as it forms part of UK domestic law by virtue of the European Union (Withdrawal) Act 2018 (the “**UK CRA Regulation**”), but are endorsed by S&P Global Ratings UK Limited, Moody's Investors Service Limited and Fitch Ratings Limited, respectively, which are established in the United Kingdom, registered under the UK CRA Regulation and included in the list of credit rating agencies registered in accordance with the list of registered and certified credit ratings agencies published on the website of the UK Financial Conduct Authority ([www.fca.org.uk/firms/credit-rating-agencies#section-certified-credit-rating-agencies](http://www.fca.org.uk/firms/credit-rating-agencies#section-certified-credit-rating-agencies)).

**The following paragraphs in italics do not form part of the Terms and Conditions of the Subordinated Notes.**

*The Issuer intends (without thereby assuming a legal obligation), that if it redeems or repurchases any Notes (or any part thereof), it will so redeem or repurchase the relevant Notes (or any part thereof) only to the extent that such part of the aggregate principal amount of the Notes (or any part thereof) to be redeemed or repurchased as was categorised as equity by S&P at the time of its issuance (“equity credit”) does not exceed such part of the net proceeds received by the Issuer or any Subsidiary of the Issuer on or prior to the date of such redemption or repurchase from the sale or issuance by the Issuer or such Subsidiary to third party purchasers (other than group entities of the Issuer) of securities which are assigned by S&P, as the case may be, an aggregate “equity credit” (or such similar nomenclature used by S&P from time to time) that is equal to or greater than the “equity credit” assigned to the relevant Notes (or any part thereof) to be redeemed or repurchased at the time of their issuance (but taking into account any changes in hybrid capital methodology or the interpretation thereof since the issuance of the relevant Notes), unless:*

- (i) the long-term corporate rating (or such similar nomenclature then used by S&P) assigned by S&P to the Issuer is at least the same as or higher than the long-term corporate credit rating assigned to the Issuer on the date of the last additional hybrid issuance (excluding any refinancing transaction of the hybrid securities which were assigned a similar “equity credit” by S&P (or such similar nomenclature then used by S&P) and the Issuer is of the view that such rating would not fall below this level as a result of such redemption or repurchase; or*
- (ii) in the case of repurchase or redemption, taken together with other relevant repurchases or redemptions of hybrid securities of the Issuer, such repurchase or redemption is of less than (i) 10 per cent. of the aggregate hybrid capital outstanding in any period of 12 consecutive months or (ii) 25 per cent. of the hybrid capital outstanding in any period of 10 consecutive years, provided that such repurchase or redemption has no materially negative effect on the Issuer’s credit profile; or*
- (iii) the relevant Notes are redeemed pursuant to a Capital Event, an Accounting Event, a Tax Deductibility Event, a Withholding Tax Event or a Gross-Up Event; or*
- (iv) the relevant Notes are not assigned an “equity credit” by S&P (or such similar nomenclature then used by S&P) at the time of such redemption or repurchase; or*
- (v) in the case of a redemption or repurchase, such redemption or repurchase relates to an aggregate principal amount of Notes which is less than or equal to the excess (if any) above the maximum aggregate principal amount of the Issuer’s hybrid capital to which S&P then assigns equity content under its prevailing methodology, or*
- (vi) such redemption or repurchase occurs on or after 16 April 2052.*
